

Sacred Heart Convent Primary School, Hubli

Sacred Heart Convent Primary school celebrated its annual gathering on 20th December 2024. It was an evening of excitement and wonder as the eloquent backdrop contained the words "Together We create a rainbow of hope for love peace and Joy." The spectacular rainbow-coloured hoops created an awe

among the audience. The evening began with the welcoming of the guests by the school band. The compering, welcome address, introduction of the guests was done by the students of grade 4 which left the audience awestruck with their confidence, diction and expressive speeches. The cultural program began with an overwhelming prayer dance wherein the students graceful performance left the guests astounded. It was an incredible moment to witness the enthusiasm and energy of our entire family of Sacred Heart Convent Primary School as they presented a glorious colourful, novel, creative and unique sequence featuring "The Rainbow fairies: spreading Love, peace and Joy". The Rainbow fairies were given a task by their royal majesty the Sun to spread their qualities to all the people on Earth.

☆ The Red Fairy spreads her value of Love, warmth and success wherein the students of Grade 1 perform a heart- warming skit cum dance, expressing their love and gratitude to their parents.

☆The Orange and Yellow fairies spread their values of joy, creativity, endurance and perseverance, happiness, cheer and positive energy to all wherein the students of Grade 2 perform a colourful scenic

beauty of a beautiful garden with an array of beautiful flowers and garden creatures expressing their purpose in life to bring joy and hope to another.

☆ The Green and Blue fairies spread their values of taking care of the beauty of nature, life, water, air, growth, health,

wealth, serenity, and peace. Here the students of Grade 3 spread the message, 'If we save the environment, we save ourselves. We should be a part of the solution, not part of the pollution. Keep it clean, keep it green.' Their amazing performance in a dance drama created a great impact among the audience.

☆ The Indigo and Violet fairies spread their values of spirituality and awareness, unity and brotherhood. divine inspiration and love for humanity. The students of Grade 4 display the courage and sacrifice of our Indian soldiers in an outstanding dance, performing stunts and human pyramids.

The unique quality India our country possesses such as 'Unity in Diversity' is portrayed in a vibrant cultural dance of 6 different states. The culmination of the gathering was a theme song 'Let's be a Rainbow of hope spreading love, joy and peace' sung by the students of Grades 3 and 4 along with the staff waving rainbow glow sticks. It was an exceptionally delightful evening. The beauty of it was that there were approximately 700 students on stage and starting from the backdrop to the theme song the teachers had done everything themselves bringing their talents and novel ideas to life. Just like the rainbow they portrayed the beauty of being different yet together.
